Dear Parents or Guardians:

Re: *Tell Them From Me/OurSCHOOL* Survey for Grades 4 to 12 Students, 2018/2019

As part of our ongoing efforts to increase school effectiveness, Manitoba Education and Training will continue with the implementation of an online student survey called *Tell Them From Me/OurSCHOOL* (TTFM/OurSCHOOL). This is a well-known survey tool which gives students the opportunity to express their thoughts anonymously in terms of various school improvement initiatives.

TTFM/OurSCHOOL was created by The Learning Bar (TLB) and is based on the work of Dr. Doug Willms, a researcher who is well-known nationally and internationally for his work on the development of educational monitoring systems. To obtain more information, please refer to TLB's website at www.thelearningbar.com.

Each student receives a randomly generated username and password, so that their identity and responses cannot be linked. All students from Grades 4 to 12 will be given the opportunity to participate in the survey, but their participation is not mandatory.

The survey questions have been specifically designed for elementary students (Grades 4 to 6) and secondary students (Grades 7 to 12). The provincial survey will require approximately 30 minutes to complete, or 5 minutes for the bullying component, 15 minutes for the career-related questions, and 10 minutes for school-level questions. Students will be asked questions that will assist the school in determining whether bullying is occurring, what types of bullying students may be experiencing, and where and when bullying is taking place. They will also be asked questions related to career exploration and planning.

School divisions can participate during the Fall of 2018 or the Spring of 2019.

If you have any questions, please contact Mrs. Perrella at 204-322-5586.

Thank you for your support in this important initiative.

Sincerely,

Laura Perrella
