Postcard Campaign Order Form and Information

In a time when we cannot necessarily see our loved ones and friends, take the time to show them some love by sending them a one of a kind, hand drawn postcard. These pictures were drawn by grade 9 students in Ryan Margetts' art class. The students took the theme of community, and love, and the memories of both Danica DeLaroque and Abby Margetts into consideration when creating these drawings.

- All proceeds will go towards Danica and Abby's Village.
- Contactless pick-up at Warren Collegiate available, as well as other accommodations.
- Packages are ready and waiting. Please fill in the order form below to order yours today!
- Etransfers accepted to wci@isd21.mb.ca with password **Warren**.
