One month till Santa arrives!

I am going to meet with Debbie Clarke from Salvation Army to give her some items I have been collecting in the line of boots, jackets, new gitch, new socks, and personal hygiene. She drives a van on the streets of Winnipeg equipped with lunches and other items recipients require. If you have any winter gear you are no longer using, please bring it to the office by December 1st as I have an appointment that afternoon and will get the items in to her. Thanks in advance for any items you may have available.
